Dear Volunteers,

On behalf of the City of Ottawa, Parks, Recreation & Cultural Services, I wanted to take this opportunity to acknowledge the substantial contribution you make on a daily basis by giving of your time to better the community. The National Survey of Giving, Volunteering and Participating, estimated that over 6.5 million Canadians volunteer their time and efforts each year to improve the lives of others.

Volunteers play such an important role in their community, by supporting and delivering many services, to improve the lives of neighbours. We appreciate and recognize the time, creativity and knowledge that you bring to the very services you deliver.

On behalf of the City of Ottawa, Parks, Recreation & Cultural Services, I would like to take this opportunity to thank you for a job well done! Happy National Volunteer Week!

Sincerely,

Kathy Magee
